

MARIST

Securing your I-20

I-20 documents provide proof that you have the finances available to attend one academic year of education at Marist, Fall and Spring semesters.

Your I-20 is required to complete the online DS-160 and I-901 forms so you can schedule a VISA interview.

Complete Instructions and Affidavit Forms are here.

- IELTS scores do not have to be reported if you supply your score card with your TRF number.

Passport, Affidavit, and Bank Statement

- Email scans of your Passport, Affidavit, and Bank Statement to graduate.processing@marist.edu.
- The bank statement and affidavit must be less than six months old at the time an I-20 is issued.
- The bank statement and affidavit also be less than six months old at the time of your interview. You may need to update your documents before an interview.
- The Marist Declaration of Finances form must be completed and stamped with a notary stamp. Find Declaration of Finances forms at <https://www.marist.edu/admission/graduate/intl/i-20>

DS-160 and I-901 documents to start the VISA process

Once you receive your I-20, complete the DS-160 and I-901 forms.

Start at this site to start your VISA application. <https://ceac.state.gov/genniv/>

Pay the I-901 before you schedule your VISA appointment. Students who come to an interview without paying the I-901 fee are frequently denied. <https://www.fmjfee.com/i901fee/index.html>. This fee goes to the United States government to cover the cost of processing your VISA request. This fee is not sent to Marist.
